

REQUEST FOR QUOTATION (RFQ)

SIEM Solution – Deployment & Implementation

Pak China Investment Company Limited (PCICL) invites sealed quotations from qualified vendors for the **deployment, configuration, integration and implementation of SIEM (Security Information & Event Management) solution** across its IT infrastructure.

1. Scope of Work

The selected vendor shall provide:

- Installation and configuration of the SIEM solution.
- Integration and onboarding of approximately **100–150 IT nodes/log sources**.
- Centralized log collection, monitoring, correlation, alerts and dashboards.
- Security rule development and alert tuning.
- SOC integration, where applicable.
- Alignment with relevant **ISO 27001, PCI-DSS and SBP requirements**.
- Testing, documentation, knowledge transfer/training and post-deployment support as per SLA.

2. Vendor Proposal

Vendors shall submit:

- Proposed SIEM solution and architecture.
- Implementation methodology and timeline.
- Technical/infrastructure requirements.
- Log-source integration and security use cases.
- Support/SLA and training details.
- Relevant experience and references.
- **Detailed financial proposal**, including implementation, integration, support, licensing/subscription, hardware (if any), recurring costs and applicable taxes.

3. Completion & Acceptance

Final payment will be released after successful deployment, integration of agreed log sources, testing, documentation, knowledge transfer and **final acceptance by PCICL**.

4. Submission

Submission Deadline: September 25, 2026

Sealed quotations to:

Secretary, Procurement & Disposal Committee

Pak China Investment Company Limited

13th Floor, Saudi Pak Tower, Blue Area, Islamabad
