

**INDEPENDENT AUDITOR'S REPORT****Pak China Investment Company Limited****Opinion**

We have audited the accompanying Capital Adequacy Return ("the Return") of Pak China Investment Company Limited ("the Company") as at 31 December 2025.

In our opinion, the financial information in the Return of the Company as at 31 December 2025 is prepared, in all material respects, in accordance with the Revised Regulatory Capital Framework under Basel II issued vide State Bank of Pakistan's (SBP) BSD Circular No. 08 dated 27 June 2006 and Instructions for Basel III Implementation in Pakistan issued vide BPRD Circular No. 6 dated 15 August 2013 and BPRD Circular No. 11 dated 05 November 2014, mainly pertaining to eligible capital and related deductions and other requirements specified by SBP (together referred to as "the Framework").

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing, as applicable in Pakistan (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Return section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the Return in Pakistan, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter - Basis of preparation of the return and Restriction on Distribution and Use**

The Return is prepared in accordance with the Framework as described above and is based on the audited financial statements of the Company for the year ended 31 December 2025. The Return is prepared to assist the Company to meet the requirements specified by the SBP. As a result, the Return may not be suitable for another purpose. Our report is intended solely for the Company and SBP and should not be distributed to and used by parties other than the Company or SBP. Our opinion is not modified in respect of this matter.

**Responsibilities of Management and those charged with governance for the Return**

Management is responsible for preparation of the Return in accordance with the Framework and for such internal control as management determines is necessary to enable the preparation of the Return that is free from material misstatement, whether due to fraud or error.

In preparing the Return, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance of the Company are responsible for overseeing the Company's financial reporting process.

**Auditors' Responsibilities for the Audit of the Return**

Our objectives are to obtain reasonable assurance about whether the Return as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Return.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Return, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Return or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The engagement partner on the audit resulting in this independent auditor's report is Hassaan Riaz.
